

PUSH 4 PENCILS

4 WAYS TO GIVE KIDS THE SUPPLIES THEY NEED TO SUCCEED IN SCHOOL.

Push 4 Pencils is the annual school supply drive for Crayons to Computers. It's a sobering reality that Cincinnati is one of the poorest cities in the country. The overall poverty rate in Cincinnati is nearly 30% compared to 14% nationally. Families struggling to put food on their table cannot prioritize purchasing school supplies. **We need your help to prepare more than 120,000 students for back to school.**
